

FEBRUARY/MARCH

THE MINIMUM NUMBER OF PEOPLE

What is the minimum number of people in a group so that you would be certain that 3 of them were born in the same month and on the same day of the week? Explain your answer.

RULES

- (1) You must be an undergraduate enrolled in classes at USC-Columbia.
- (2) Write your solutions clearly and show all of your work.
- (3) Staple all sheets together.
- (4) Bring your solutions to the math office (LC 411) and drop it in the box provided.
- (5) **Include your name and email address.**
- (6) Sign the drop-off sheet to record your submission.

Look for a new problem on the 15th of every month!
