

DISCRETE OPTIMIZATION: PROBLEM SET 9

From the Textbook,

Workout 2.6.3 (Read the section to do this somewhat easier...)

Workout 2.7.3

Exercise 2.10.20. During the presentation, we'll actually perform the pivots using WebSim.

Exercise 2.10.29. We know the solution already, but now we can solve it using the Simplex Algorithm.

Exercise 2.10.41

Exercise 2.10.50
