a score of at least 67 % will be at least a **D**$^+$
a score of at least 60 % will be at least a **D**
a score of less than 60 % will be an **F**

Additional Comments:

(1) No calculators are allowed on tests or the final exam.

(2) You should feel free to work on homework together; you should share ideas but are NOT to share answers. Your solutions to homework problems should be written up individually (and not copied).
