

TO:

- Students whose scores on Exam 1 were: 6 – 44  
(and thus should drop this class).
- Students whose scores on Exam 1 were: 49 – 59  
(and thus should seriously consider dropping this class).
- Students whose scores on Exam 1 were: 62 – 69  
(and thus need a new study game plan).

FYI: Last day to drop without a WF is Monday 22 February 2010.

This form is due back to Prof. Girardi by:

**Thursday 18 February 2010**

I understand that my performance on Exam 1 was unacceptable. I do not want to drop this class but I do want to pass this class. Thus, I will do the below indicated studies to bring my performance up to an acceptable level.

Furthermore, I understand that in order to stay in this class, I must partake in at least 2 study activities indicated below.

Signature: \_\_\_\_\_

Print name and PIN: \_\_\_\_\_

 Read the next section to be covered in the book **BEFORE** class.

I will read! Signature: \_\_\_\_\_

 Meet with the TA on a regular basis. The TA's office hours are indicated on our course schedule at <http://www.math.sc.edu/~girardi/m142/10S/CalculusSchedule.html> .

I will meet with the TA on (indicate days of week and time):

 Attend SI Sessions on a regular basis. More info about SI can be found at <http://www.sa.sc.edu/supplementalinstruction/> .

Our class's SI Sessions are indicated on our course schedule at

<http://www.math.sc.edu/~girardi/m142/10S/CalculusSchedule.html> .

I will attend SI Sessions each (indicate which days of the week):

**MORE ... SEE PAGE 2**     $\implies$

Go to the Math Lab on a regular basis. More info about the Math Lab is at

<http://www.math.sc.edu/mathlab.html> .
