Publishing with Maple

Panelists

Eugene Herman	Grinnell College
Tom Lee	Waterloo Maple
Robert Lopez	Rose Hulman
	Institute of Technology
Marlene Thom	Addison Wesley Longman
Joe Vetere	Addison Wesley Longman

Organizers

Douglas Meade	University of South Carolina
Philip Yasskin	Texas A & M University

Basic Questions

1. Describe, briefly, your most significant publishing experience with Maple.
2. What aspects of the publishing process were made simpler because of Maple?
3. What aspects of the publishing process were made more difficult because of Maple?
4. What would you do differently if you were starting a project today?
5. What changes/additions to Maple would improve the publishing process?
6. What changes in the publisher's procedures would improve the publishing process (for you)?

Closing Comments

Suppose I am considering a new publishing project with Maple.

1. What advice would you give?
2. Where could they get support for the project?
3. Where should they look for additional information?
