Now that the header information is out of the way, let's get on with the show.
 And this is a second paragraph. Note that a real memo would have extra space
 between paragraphs in addition to not indenting.

<u>Person</u>	<u>Description</u>	<u>Approved</u>
George McNulty	He's a professor and claims to be a "humble servants". I wonder how he can more than one servant.	sure
Doug Meade	He's just an ordinary servant but sometimes says more than he should.	not a chance
